Correction of: *Clean Technologies and Recycling*, 2026, 6(1): 33–55.

A correction on

Rony Tota, Tarikul Islam Tasin, Md. Morsalin, Ragab A. Sayed, Sheeraz Iqbal, Shak Mahmudul Hasan, Md. Zamil Sultan, Md. Muien Ahmed Arnob. Performance improvement of lead-free $CsSnCl_3$-based perovskite solar cell using multiple ETLs: A SCAPS-1D simulation study[J]. *Clean Technologies and Recycling*, 2026, 6(1): 33–55. doi: 10.3934/ctr.2026002

In the originally published article, Dr. Sheeraz Iqbal was incorrectly listed with two affiliations. His second affiliation was included inadvertently. The following affiliation should be removed: "Department of Electrical Engineering, University of Azad Jammu and Kashmir, Muzaffarabad 13100, Pakistan." Accordingly, the superscript "4" should be removed from Dr. Sheeraz Iqbal's name. His name and affiliation should be corrected as follows:

Sheeraz Iqbal[3]

[3] Interdisciplinary Research Center for Sustainable Energy Systems, Research and Innovation, King Fahd University of Petroleum & Minerals, Dhahran 31261, Saudi Arabia.

This correction concerns only the author's institutional affiliation and does not affect the scientific content, results, conclusions, or author contributions presented in the article. The authors sincerely apologize for the oversight and any inconvenience caused.
