A correction on

Certain midpoint-type Fejér and Hermite-Hadamard inclusions involving fractional integrals with an exponential function in kernel

by Thongchai Botmart, Soubhagya Kumar Sahoo, Bibhakar Kodamasingh, Muhammad Amer Latif, Fahd Jarad, Artion Kashuri. AIMS Mathematics, 2023, 8(3): 5616–5638.

DOI: 10.3934/math.2023283

The author would like to make the following correction to the published paper [1].

On page 5634, we deleted the section of “Acknowledgments”. The deleted contents are as follows:

Acknowledgments

This research received funding support from the NSRF via the Program Management Unit for Human Resources & Institutional Development, Research and Innovation, (grant number B05F650018).

The changes have no material impact on the conclusion of this article. The original manuscript will be updated [1]. We apologize for any inconvenience caused to our readers by this change.

Conflict of interest

The authors declare there is no conflict of interest.
