A correction on

Evolutionary problems driven by variational inequalities with multiple integral functionals by Savin Treanță, Muhammad Bilal Khan, Soubhagya Kumar Sahoo, Thongchai Botmart. AIMS Mathematics, 2023, 8(1): 1488–1508.

DOI: 10.3934/math.2023075

The author would like to make the following correction to the published paper [1].

On page 1507, we deleted the section of “Acknowledgments”. The deleted contents are as follows:

Acknowledgments

This research received funding support from the NSRF Thailand via the Program Management Unit for Human Resources & Institutional Development, Research and Innovation (grant number B05F640088).

The changes have no material impact on the conclusion of this article. The original manuscript will be updated [1]. We apologize for any inconvenience caused to our readers by this change.

Conflict of interest

The authors declare there is no conflict of interest.
