A correction on

Cyber security control selection based decision support algorithm under single valued neutrosophic hesitant fuzzy Einstein aggregation information

by Muhammad Kamran, Shahzaib Ashraf, Nadeem Salamat, Muhammad Naeem, Thongchai Botmart. AIMS Mathematics, 2023, 8(3): 5551–5573.

DOI: 10.3934/math.2023280

The author would like to make the following correction to the published paper [1].

On page 5570, in the section “Acknowledgments”, we deleted the following sentence: Also, this research received funding support from the NSRF via the Program Management Unit for Human Resources & Institutional Development, Research and Innovation, (grant number B05F650018).

Now, the section “Acknowledgments” is shown below:

Acknowledgments

The author (Muhammad Naeem) would like to thank the Deanship of Scientific Research at Umm Al-Qura University for supporting this work by Grant Code: 22UQU4310396DSR41.

The changes have no material impact on the conclusion of this article. The original manuscript will be updated [1]. We apologize for any inconvenience caused to our readers by this change.

Conflict of interest

The authors declare there is no conflict of interest.
