**A correction on**

Application of fixed point results in the setting of  $\mathcal{F}$ -contraction and simulation function in the setting of bipolar metric space

by Gunaseelan Mani, Rajagopalan Ramaswamy, Arul Joseph Gnanaprakasam, Vuk Stojiljković, Zaid. M. Fadail and Stojan Radenović. AIMS Mathematics, 2023, 8(2): 3269–3285. DOI: 10.3934/math.2023168

The authors would like to add a fund information to Acknowledgments section of the published paper [1]. After it interpolated, this section now is,

---

## Acknowledgments

This study is supported via funding from Prince Sattam bin Abdulaziz University project number (PSAU/2023/R/1444).

The change has no material impact on the conclusion of this article. The original manuscript will be updated [1].

## Conflict of interest

The authors declare no conflicts of interest.
